

Merry Christmas

Dear Soroptimist Sister,

I wish Christmas and the New Year shall bring about peace, solidarity and hope to us all in our Soroptimist endeavors.

May we be a part of the change we aspire to see in the world!

To that end of leadership,
20th Soroptimist International Convention will be held
in 9-12 July, 2015 in Istanbul.

We shall be honored and empowered by your presence and contributions.

Our efforts will become meaningful with the organization
of a successful Convention with Soroptimists from all across the world.

Warmest regards,

Emine ERDEM
